KOHL®

THE ANDAMAN

"True" Frameless Channel Balustrade.

THE ANDAMAN

Provide the perfect balance between strength and clarity for your stairway or balcony with this truly frameless system that pushes the laws of contemporary balustrade design.
The Andaman consists of a highly structural, sleek aluminium channel that supports unobstructed glass.

Fully Frameless Systems

The Aegean

The AEGEAN's extreme versatility, edgy stainless posts, offset handrail and timeless glass makes it the ultimate choice for a structural, yet sophisticated design.

The Pacific

The Pacific has face mounted standoffs that provides a completely frameless design, ideal for both interior and exterior residential or commercial application.

The Andaman

The Andaman is a fully frameless balustrade supported at it's base by a discreet aluminium or concrete structural channel.
